The Pilot at Sedgefield

The romance of the past. The opportunity for the future...

Opportunity

THE PILOT AT SEDGEFIELD, previously the headquarters for Pilot Life Insurance Company, was once a grand, majestic place as shown by the mid-1990s photographs in this brochure. As it has weathered with age and sat vacant for decades, The Pilot at Sedgefield is ready for a renaissance of its own.

It sits on 131 gross acres and contains six existing office buildings (five interconnected) totaling 222,000 square feet. Potential uses for the project include single family, multi-family residential, hotel/hospitality, retail or corporate headquarters. Its location at a full interchange with the new Greensboro urban loop (I-73) and Gate City Boulevard (Jamestown Bypass) creates tremendous potential for a multi-use planned development.
