# Opportunity

**THE PILOT AT SEDGEFIELD**, previously the headquarters for Pilot Life Insurance Company, was once a grand, majestic place as shown by the mid-1990s photographs in this brochure. As it has weathered with age and sat vacant for decades, The Pilot at Sedgefield is ready for a renaissance of its own.

The site contains six existing office buildings (five interconnected) totaling 222,000 square feet. Potential uses for the project include single family, multi-family residential, hotel/hospitality, retail or corporate headquarters. Its location at a full interchange with the new Greensboro urban loop (I-73) and Gate City Boulevard (Jamestown Bypass) creates tremendous potential for a multi-use planned development.
